"Stand By Me"

When the night has come
And the land is dark
And the moon is the only light we'll see

No I won't be afraid
No I won't be afraid
Just as long as you stand, stand by me

And darlin' darlin' stand by me, hoooh
Stand by me, hoh stand now, stand by me, stand by me

If the sky there we look upon
Should tumble and fall
Or the mountain should crumble to the sea

I won't cry, I won't cry
No I won't she'd a tear
Just as long as you stand, stand by me

And darlin' darlin' stand by me, hoooh stand by me,
hoh
Stand, stand by me, stand by me.

And darlin' darlin' stand by me, hoooh stand by me,
hoh
Stand, stand by me, stand by me

(We all we having trouble around you)
Stand (eyyy) by me hoooh stand by me, hoh stand now,
(Stand by me) stand by me, (stand by me)stand by me.

And darlin' darlin' stand by me, hoooh stand by me,
(Lang-hohaa) stand, stand by me, stand by me.
(Noch 2x bis zum Schluß)
