Sundown Friday, twilight in the big town
Party people getting ready now
Somewhere baby I know you're waiting
City's vibrating

The city's in a heatwave Praying for
A sunshade hoping that the evening
Will chill down the streets
And I'm a little hot too cause
I can only think of you
Hoping that tonight you'll Find out what I like

Refrain:

Sundown Friday, twilight in the big town
Party people getting ready now (ready now)
Somewhere baby I know you're waiting
City's vibrating Sundown air gets cooler but my heart
Pounds loud and fast I'm getting ready now (I
Gettin' ready)
Somewhere baby I know you're waiting city's vibrating

I don't know if you've seen me, Don't know if you are
Dreaming hoping for someone who can show you who
You
Are
Tonight I' gonna find you fly on a breeze and Blind you
Take you from clubland and send us to the stars

Refrain:

Sundown Friday, twilight in the big town (big towns)
Party people getting ready now (gettin' ready know)
Somewhere baby I know you're waiting
City's vibrating Sundown air gets cooler but my heart
Pounds loud and fast I'm getting ready now (ready
know)
Somewhere baby I know you're waiting city's vibrating

Sundown Friday, twilight in the big town (big town)
Party people getting ready now (you ready know)
Somewhere baby I know you're waiting
City's vibrating Sundown air gets cooler but my heart

Pounds loud and fast I'm getting ready now (they
Gettin'they gettin' ready know)
Somewhere baby I know you're waiting city's vibrating
Refrain:
Sundown Friday, twilight in the big town
Party people getting ready now
Somewhere baby I know you're waiting
