I don't Function under pressure I
Don't feel the need for speed at all
Slow down your passion
I can't handle half-fast pleasure
Stay where you are if it's touch and go
What's your obsession?
Can't it be true! You don't know
What you should or shouldn't do
And the only solution is to break it up

Refrain:

You're blocking my sun you're spoiling my fun
I hate it when I'm locked in birds in cages don't sing
Push and I'll run why don't chill out and take it slow
The good things come easy!

Hiding monsters in your closet?
Wait no longer go and set them free
Don't kid around now
I be there at your doorstep
Watching closely what it's gonna be
You'll make it somehow
I've rocked the boat
Now let's see if we both will sink or swim
All depends once again what kind of mood you're in

Refrain:

You're blocking my sun you're spoiling my fun
I hate it when I'm locked in birds in cages don't sing
Push and I'll run why don't chill out and take it slow
The good things come easy!

You are making me mad! Don't say life is treating you
Bad
Slow down, tell it to stop
I got news for you, It's time to wake up

Refrain:

You're blocking my sun you're spoiling my fun
I hate it when I'm locked in birds in cages don't sing
Push and I'll run why don't chill out and take it slow

The good things come easy!

You're blocking my sun you're spoling my fun
I hate it when I'm locked in birds in cages don't sing
Push and I'll run why don't chill out and take it slow
The good things come easy!
