I'm glad you're home  
Now did you really miss me  
I guess you did by the look in your eyes (look in your  
Eyes, look in your eyes)  
Well lay back and relax while I put away the dishes  
Then you and me can rock-a-bye

You can ring my be-e-ell, ring my bell  
You can ring my be-e-ell, ring my bell  
You can ring my be-e-ell, ring my bell  
You can ring my be-e-ell, ring my bell

The night is young and full of possibilities  
Well come on and let yourself be free (let yourself be  
Free)  
My love for you, so long than I've been savin'  
Tonight was made for me and you

You can ring my be-e-ell, ring my bell  
You can ring my be-e-ell, ring my bell  
You can ring my be-e-ell, ring my bell  
You can ring my be-e-ell, ring my bell

You can ring my bell, you can ring my bell  
You can ring my bell, you can ring my bell  
You can ring my bell, anytime, anyway  
You can ring my bell, anytime, anyway

You can ring my bell, you can ring my bell  
You can ring my bell, you can ring my bell  
You can ring my bell, anytime, anyway  
You can ring my bell, anytime, anyway
