Abraxas! Daemon God!  
Both Creator and Destroyer.  
Inhale, Exhale,  
And shatter the Green Glass.

Abraxas! Both light and Dark!  
Under the Banner of Life.  
Inhale, Exhale,  
And break through the Cosmic Egg.

Abraxas! Beast and God!  
Through the Dancing of Forces...  
Dagaz, Jera,  
... Turning the Wheel.  
Ascending Descent!

Abraxas! Reflection!  
Collision of all matter...  
Dagaz, Jera,  
... And all spirit  
United as One!
