The only one I know, has come to take me away  
The only one I know, is mine when she stitches me  
(chorus)  
Everyone has been burned before, everybody knows  
the pain  
Everyone has been burned before, everybody knows  
the pain  
The only one I see, has found an aching in me  
The only one I see, has turned her tongue into me

Chorus  
The only one I know, never cries, never open her eyes  
The only one I know, wide awake and then she's away  
Chorus  
The only one I see, is mine when she walks down our  
street  
The only one I see, has carved her way in to me  
Chorus
