I'm just an average man with an average life
I work from nine to five, hey hell I pay the price
All I want is to be left alone in my average home
But why do I always feel like I'm in the Twilight Zone

I always feel like somebody's watching me
And I have no privacy woah
I always feel like somebody's watching me
Whose playing tricks on me?

When I come home at night
I lock the door real tight
People call me on the phone I'm trying to avoid
Well, can the people on TV see me or am I just
paranoid

When I'm in the shower, I'm afraid to wash my hair
I might open my eyes and find someone standing there
Maybe I'm crazy, just a little touched
But maybe showers remind me of Psycho too much
That's why...

I always feel like somebody's watching me
And I have no privacy woah
I always feel like somebody's watching me
Tell me it is just a dream

Whose watching me?
Whose watching me?
Whose watching me?
Whose watching me?
Yeah

I always feel like somebody's watching me
And I have no privacy woah
I always feel like somebody's watching me
Tell me is it just a dream

I always feel like somebody's watching me
And I have no privacy woah
I always feel like somebody's watching me
Whose playing tricks on me?
