I was rolling in my car when I pulled up at the mall.
Couldn't find a place to park , Threw my keys to the
valet.

I was only there to hang , wasn't looking for a thing
I was just bout to bounce , Then I saw miss lady .
Then I said to myself .

There goes my baby , There goes my destiny
Onliest one for me , There goes my baby
There goes my baby , She going to be the one
Were going to fall in love , Were going to have some
babies

She was coming out the shoe store
Pretty little Thing , a couple of bags in her hand , right
in front of Macy's
And then I saw her at the food court
Sippin lemonade , conversating on her cell phone
Looking so amazing , & I said to myself

There goes my baby , There goes my destiny
Onliest one for me , There goes my baby
There goes my baby , She going to be the one
Were going to fall in love , Were going to have some
babies

She going to wear my ring , She going to take my name
Take her to the cookout , Me & her going to hang
Take her to my mama house , Meet smokey & them
If she need her hair done see my cousin Carol

I'll treat her like a queen , Give her everything
She will be my girl till we old and gray
And I knew it from the moment
That I saw her lovely , lovely face

There goes my baby , There goes my destiny
Onliest one for me , There goes my baby
There goes my baby , She going to be the one
Were going to fall in love , Were going to have some
babies

There goes my baby , There goes my destiny
Onliest one for me , There goes my baby
There goes my baby , She going to be the one
Were going to fall in love , Were going to have some
babies

When you talk to me it makes me so
Crazy , Crazy , Crazy , it's blowing my mind
That you give me some of your time
