Don't wanna be your baby no more
Don't wanna be your baby no more
'Cause I work so hard to get this far
Then one day I hear you say hey
Don't wanna be your baby no more

You buy a nickel you drop a dime
Too much of nothin' every single time
It's no surprise I've heard it all before
I don't wanna be your baby no more

Don't wanna be your slave no more
I'll be last dog at your door
'Cause I work so hard to get this far
Don't wanna be your baby no more no more no more

Hidin' in the corner shoot what's goin' on
Trouble down on Main Street can't get to a phone
Problem after problem don't know what's the score
I don't wanna be your baby no more
