Ooooooh

Heaven's down
And Hell is up
All rights reversed
Proven by the planets and their movements
While, down on earth
The primal chaos
Is pushing backwards
But even then the danger never stops

And no-ones stopping
It never stops
And no-ones stopping
It never stops
And no-ones stopping
It never stops
And no-ones stopping

Ooooooh x 4

It never stops
And no one's stopping
All rights reversed
Undertaking kopyleft while flying sideways
While, down on earth
The primal chaos
Is pulling forward
And there are other threats below

It never stops
And no one's stopping
It never stops
And no one's stopping

It never stops
It never stops

Never stops
And no one's stopping
(repeats)

It never stops
and no one's stopping
(repeats)
