StAr GultAR
Beats....

you should feel what i feel
you should take what i take

you should feel what i feel
you should take what i take

you should feel what i feel
you should take what i take

you should feel what i feel
you should take what i take

you should feel what i feel
you should take what i take

you should feel what i feel
you should take what i take

you should feel what i feel
you should take what i take

you should feel what i feel
you should take what i take

Star G..BEATS..

you should f..

you should feel..

you should feel..
you should feel..
you should feel..
