Ohhhhhhh

Can you hear me now?

Can you hear me now?

Can you hear me now?

Can you hear me now?

Yeeeeeah

Am I coming through?

Am I coming through?

Is it sweet and pure and true?

The Devil came by this morning

Said he had something to show me

I was looking like I'd never seen a face before

Here we go now let's slide in through the open door

Pictures and things that I done before

Circling around me out here on the floor

I'm dreamin' this and I'm dreamin' that

Regretting nothin' think about that

I'm seeing waves breaking forms on my horizons

Yeah I'm shining

I'm seeing waves breaking forms on my horizons

Lord I'm shining

Oh are you hearing me like I'm hearing you

Oh are you hearing me like I'm hearing you

You know I almost lost my mind

I can't explain where I've been

You know I almost lost my mind

I can't explain where I've been

You know I almost lost my mind

I couldn't explain what I've seen

Im happy now to have seen it

To find that the images are fading away

I'm seeing waves breaking forms on my horizons

Yeah I'm shining

I'm seeing waves breaking forms on my horizons

Lord I'm shining

Oh are you hearing me like I'm hearing you

Oh are you hearing me like I'm hearing you

You know I almost lost my mind

I can't explain where I've been

You know I almost lost my mind

I couldn't explain the things I'd seen

But now I think I see the light

Now I think I see the light

Lend me your hand

Lend me your hand

Lend me your hand

Lend me your hand

Lend me your hand

Seeing waves breaking forms on my horizons

Yeah I'm shining

Seeing waves breaking forms on my horizons

Lord I'm shining

Oh are you hearing me like I'm hearing you

Oh are you hearing me like I'm hearing you

You know I almost lost my mind

But now I'm home and I'm free

Did I pass the acid test?

Did I pass the acid test?

Did I pass the acid test?

Did I pass the acid test?

Did I pass the acid test?

Did I pass the acid test?

Oh my my my my my my mind

You better go defend now

You better go defend now

You better go defend now

You better go defend now

You better go defend now

You better go defend now

You better go defend now

You better go defend now

You better go defend now
You better go defend now
You better go defend now
You better go defend now

My heart and my soul they are free
My heart and my soul they are free

You know I almost lost my mind
But now I'm home and I'm free
Did I pass the acid test?
Did I pass the acid test?
Did I pass the acid test?
Did I pass the acid test?
Did I pass the acid test?
Did I pass the acid test?
Did I pass the acid test?
Did I pass the acid test?
Did I pass the acid test?
Did I pass the acid test?
Did I pass the acid test?
Oh my my my my my my mind
