Come, come now closer now lover,  
Know I need you next to me,  
Eyes across the room can feel so far away.  
All desires I feel, I don't have the words to say,  
Baby, when you're near, you get me close to it.

In your arms I'll fall  
All the way to hell  
Why choose somebody else?  
In those arms I found my love  
Oh, oh, oh, oh  
Fall, all the way down  
Why choose somebody else?  
In this hell we found our heaven,  
Oh oh oh oh...

Darling it was on a night like this,  
I remember we first touched,  
Fearless in the face of all hostilities...  
And on this runaway train, only need you next to me,  
Speeding as we watch the fade to history

In your arms I'll - fall - all the way hell,  
Why choose somebody else?  
Cause in those arms, I found my love  
Oh oh oh oh  
We're all, all the way down,  
Why choose somebody else?  
In this hell we found our heaven  
Oh oh oh oh  
All, all the way to hell,

In this hell we found our heaven, heaven, heaven in it  
(Oh, no) (oh, no)  
Oh oh oh oh

Let's fall, all the way to hell,  
Why choose somebody else?  
In your arms I found my love  
Oh oh oh oh,  
We fall, all the way down,

Why choose somebody else?  
In this hell we found our heaven, heaven, heaven.
