You suck a fruity and you wanna go... "Oh"  
You little cutie, yeah you wanna blow... On  
I turn around and everything is slow... Mo  
You look good, and yeah I wanna phone... Home

You got me thinking 'bout the kitty in the middle of it  
You got me thinking 'bout the kitty in the middle of it

You left me standing in the middle of... Rome  
A little sigh, baby had to go... "Oh"  
And looking good, I had to let you know... Oh  
I'm just a boy, I had to do it so... Oh

You got me thinking 'bout the kitty in the middle of it  
You got me thinking 'bout the kitty in the middle of it
