Ooh skat  
Am I pleased to meet ya  
Picture from the people  
Something I got to teach ya

Ooh crack  
You're quite the creature  
Girl from the creature feature  
Tasty like to eat ya  
Thinking so nasty  
Just got me feeling so nasty

Ooh pop  
Take you from the 80's  
Bimbos rock the latex  
Dingos catch the babies

Ooh stop  
Look we're ready to rumble  
Girlfriend can you show me  
The way that the cookie crumbles  
Thinking so nasty  
Just got me feeling so na

Keep it rocking baby, don't try to hide it, no  
Give me something and I won't try to fight it, no  
All the troubles in my mind they don't feel so bad  
When you got me in your palm slide it in your hands

Ooh snap  
Girls got to eat ya  
Cookin' I got to T-bone  
Hungry I need to feed her

Ooh chnn  
Touched quite a female  
Checked all the styles she show  
Chick don't reply to email  
Thinking so nasty  
Just got me feeling so na

Keep it rocking baby, don't try to hide it, no

Give me something and I won't try to fight it, no  
All the troubles in my mind they don't feel so bad  
When you got me in your palm slide it in your hands

Keep it pumping baby, don't try to hide it, no  
Give me something and I won't try to fight it girl  
All the problem in the world I don't understand  
When you got me in your arms slide it in your hands

Yippiyo-ay  
When you wear a smile  
Yippiyo-ay  
When you rock a frown

Yippiyo-ay  
When you throw one off  
Yippiyo-ay  
When you coming round

Yippiyo-ay  
When I'm feeling bad  
Yippiyo-ay  
When I'm feeling sad

Yippiyo-ay  
No, it ain't so bad  
Yippiyo-ay  
When I'm in your hands

Keep it rocking baby, don't try to hide it, no  
Give me something and I won't try to fight it, no  
All the troubles in my mind they don't feel so bad  
When you got me in your palm slide it in your hands

Keep it pumping baby, don't try to hide it, no  
Give me something and I won't try to fight it girl  
All the problem in the world I don't understand  
When you got me in your arms slide it in your hands

Keep it rocking baby, don't try to hide it, no  
(Yippiyo-ay)  
Give me something and I won't try to fight it, no  
(Yippiyo-ay)  
All the troubles in my mind they don't feel so bad  
(Yippiyo-ay)  
(Yippiyo-ay)
