Before we say goodbye  
Before we turn and walk away  
Lets give it one more try  
Before we say goodbye

Before we close that door  
Before we go our seprate ways  
Lets stop and find out why  
Before we say goodbye

We've been down this road before  
And we've always made it through (oh oh)  
But incase we break up  
Can I still have sex with you (have sex with you)

Before we loose this love  
Before we throw it all away  
Girl don't do another guy  
Before we say goodbye  
(goodbye) (oh no)  
(ooooo)  
Don't wanna say goodbye  
Before we say goodbye

We've been down this road before  
And we've always made it through (oh oh)  
But incase we break up  
Can I still have sex with you (have sex with you)

Before we loose this love  
Before we throw it all away  
Girl don't do another guy  
Before we say goodbye  
(goodbye)  
Let's give it one more try  
Before we say goodbye
