I'm loosing my hair And my vision is shady Last night I drempt of an over weight lady But I need a young thang To keep up with my pace To hold me in her arms And take me straight to second base

I know my calculus (aaaah) It says you plus me equals us (yeah) (oh sing it Chad for me) I know my calculus (aaaah) It says you plus me equals us (oh yeah) Caculus

Yeah haha come on We're 2gether (we're 2gether)

Your algebra, triganomatry Can never equal up to what you do to me (do to me) So lets integrate don't differenciate If you were in my class there ain't no way I could pass (way to pass) I hate english, gym, and not to mention I can't even afford to pay my attention (pay my attention) No philosophy could ever come between us but we'll always have our calculus

I know my calculus It says you plus me equals us (what'cha got for me) Said I know my calculus (come on) It says you plus me equals us (what'cha got for me) (2gether 4ever come on) Calculus (ugh) Calculus (let's say) Ooo baby Oh lord

yeah uh oh You plus me equals us oh (uh come on)

Well i've never been good at history And I don't give a crap about Robert E. Lee When it comes to cosines I know a thing or two And I kicked ass on the test about me and you

I know my calculus It says you plus me equals us Said I know my calculus It says you plus me equals us Calculus ((fart sound)) You-plus sign-me-equal sign-us You-plus sign-me-equal sign-us

(oooo.....) Girl no subject comes close to you 2gether sing it I know my calculuu
