When you kiss me are you breathless?
When you touch me do you fall apart?
Do you shiver when you dream?
Is there a pounding in your heart?
When I talk do you hear?
When I cry do you care?
When i wake up in the morning do you want me there?

(Chorus)

I want you to know me
I want you to hold me
Know who I am
What I want
When i feel you're the only one that's real
I want you to know me
I want you to hold me
'Cause when we kiss, when we touch
All i know you're the only one that's real

When you call me, are you smiling? (yeaah)
When you leave me, does it make you sad? (ooh)
Is there an emptiness you feel? (you feel)
When we're together, are you glad?
- In my silence you told me, If i'm crazy console me
'Cause in each other's arms is where I wanna stay

(Chorus)

I want you to know me
I want you to hold me
Know who I am
What I want
When i feel you're the only one that's real
I want you to know me
I want you to hold me
'Cause when we kiss, when we touch
All i know you're the only one that's real

You're The Only One that's real
Only Onnnnnnnne

(Chorus)

I want you to know me
I want you to hold me
Know who I am
What I want
When i feel you're the only one that's real
I want you to know me
I want you to hold me
'Cause when we kiss, when we touch
All i know you're the only one that's real
I want you to know me
I want you to hold me
Know who I am
