Spoken:

Sometimes, You must live through darkness
In order to see the light
You must visualize

chrous:

Close your eyes visualize the most beautiful girl that
could be just one sign mezmorize its like gazing right
into the sea

Floating down the street she stands out like a candle
light When I look in her eyes I have a knot inside, couldnt
change this feeling So I looked at her with a vision in my
mind With her hand on my face and a smile on hers I
softly say goodnight.

Close your eyes Visualize the most beautiful girl that
could be just one sign mezmorize its like gazing right
into the sea.

Never dreamt of one who possessed this gift of god (gift
of gold) She sees through the darkest clouds She knows
my soul Will she be my girl? Is she of this world? Will I
ever know?

When the time is right she will be my life She is my
angel

Close your eyes Visualize The most beautiful girl that
could be just one sign mezmorize its like gazing right
into the sea.

With the touch of the sand that far away land Gazing
like perfection in the palm of my hand A touch from her
face that far away place theres no one above her Her
spirit and grace.

ohhhhhh Close your eyes Visualize the most beautiful
girl that could be just one sign (one sign) mezmorize its
like gazing right into the sea (into the sea)

repeat one more time

Close your eyes visualize(the misty air)The most
beautiful girl that could be(my baby is there)Just one
sign(with you my life)Mezmorize(its my only care)Its
like gazing right into the sea

repeat chrous until faded
