talking

Baby, i know you were wrong, but i forgive you (yeah)

singing

Another day has gone by ...

Still have your picture by my side

I can't forget when you left, when we said goodbye

I know it's hard to carry on

Can I Survive?

chorus

Every minute, Every Hour

I just can't get you out of my mind

No Matter how hard i try

Every Day, Every Night

I Wish you were back in my life

Can we give it just one more chance, this time

singing

Looking back on it now (Oo Ooo)

Where we went wrong, i can't figure o-out

Wish i could turn back the time, and make you mine

Is it too late, for us to try, a second time?

chorus

Every minute, Every Hour

I just can't get you out of my mind

No Matter how hard i try

Every Day, Every Night

I Wish you were back in my life

Can we give it just one more chance, this time

singing

I just don't see things the same

I can't get out of the rain

(it's clouding my mind) It's Clouding my mind

I'll make it all up to you

Just tell me what i should do

I Want you back in my life

(give me one more chance)

chorus

Every minute, Every Hour

I just can't get you out of my mind

No Matter how hard i try

Every Day, Every Night

I Wish you were back in my life

Can we give it just one more chance (ohhh)

Every minute, Every Hour

I just can't get you out of my mind

No Matter how hard i try

Every Day (every day), Every Night (every night)

(Whoooooo)

I Wish you were back in my life

Can we give it one more chance, this time

(yeah, Ohhh ohhhh)

Can We give it just one more Chance?
