Well, you made me a deal that made me feel like I was  
Something else,  
When I found you I had a friend, I wasn't on the shelf,  
I listened to your talking, I believed in what you  
Said,  
But I only saw the back of your head.

Well, I wish I saw your sleekit face, I wish you'd  
Turned around,  
'Cause if I'd looked into your eyes, I know that I'd  
Have found,  
I'd never have been misguided, never have been  
misled,  
I only saw the back of your head.

Well, you promised me a load of stuff that you could  
Never keep,  
You said you were a friend, but you're a wolf among  
the  
Sheep,  
You said you'd do your best for me, you'd keep me  
Clothed and fed,  
I only saw the back of your head.

Well, I wish I saw your sleekit face, I wish you'd  
Turned around,  
'Cause if I'd looked into your eyes, I know that I'd  
Have found,  
I'd never have been misguided, never have been  
misled,  
I only saw the back of your head.

2, 3, 4.

I wish I saw your sleekit face, I wish you'd turned  
Around,  
'Cause if I'd looked into your eyes, I know that I'd  
Have found,  
I'd never have been misguided, I'd never have been  
Misled,  
I only saw the back of your head,

Well, I wish I saw your sleekit face, I wish you'd  
Turned around,  
'Cause if I'd looked into your eyes, I know that I'd  
Have found,  
I'd never have been misguided, I'd never have been  
Misled,  
I only saw the back of your head.
