Well, I believe in freedom, I believe in hope,  
I believe that dreams come true, and I believe in you,  
I believe in children, I believe in peace,  
But I don't believe in war anymore.

I wanna tell you,  
I wanna know,  
Love is the answer,  
Love says it all.

I believe in yellow, I believe in black and white,  
I believe in red and brown; we're all the same in God's  
Sight,  
I don't believe in killing, I don't believe in pain,  
But I can't avoid it – I'm just a man, they say.

But there's light through the window, hope is on the  
Way,  
If someone needs your help right now, don't turn them  
Away,  
Got today and not tomorrow,  
Right now is the time,  
What I say.

I wanna tell you,  
I wanna know,  
Love is the answer,  
Love says it all.

I wanna tell you,  
I wanna know,  
Love is the answer,  
Love says it all.

But there's light through the window, hope is on the  
Way,  
If someone needs your help right now, don't turn them  
Away,  
Got today and not tomorrow,  
Right now is the time,  
What I say.

I wanna tell you,  
I wanna know,  
Love is the answer,  
Love says it all.
