May your life in this world be a happy one,  
May the sun be warm and may the skies be blue,  
And may each storm that comes your way clear the air  
For a brighter day,  
May the saints and saviour watch over you.

As you make your way through this old world of ours,  
As you see the beauty of the morning dew,  
As you smell the summer flowers, as you pass away  
the  
Hour,  
May the saints and saviour watch over you.

May your life in this world be a happy one,  
May the sun be warm and may the skies be blue,  
And may each storm that comes your way clear the air  
For a brighter day,  
May the saints and saviour watch over you.

As you spend your time with your friends and your  
Family,  
As you feel the warmth and love they have for you,  
As you see the wars the hate that others radiate,  
May the saints and saviour watch over you.

May your life in this world be a happy one,  
May the sun be warm and may the skies be blue,  
May each storm that comes your way clear the air for a  
Brighter day,  
May the saints and saviour watch over you.

May your life in this world be a happy one,  
May the sun be warm and may the skies be blue,  
And may each storm that comes your way clear the air  
For a brighter day,  
May the saints and saviour watch over you,  
May your life in this world be a happy one,  
May the sun be warm and may the skies be blue,  
And may each storm that comes your way clear the air  
For a brighter day,  
May the saints and saviour watch over you.
