Breaking All The Rules
Without it, I can't live, no
It's makin me look so silly
That my friends talk about me
They don't understand.

CHORUS

For your love (for your love)
I would cry (I would cry)
Even sacrifice my life.
Wouldn't think twice.
Be your fool.
Don't mind it's cool (I don't mind)
Everything I say is true
Because I'm breakin all the rules
For you

somethin something, sorry don't know the Spanish
words too well!!
Te quieras
something...something..lmao..

Girl you're takin good care of me
I can feel it deep inside
And my body doesn't lie, no
The way you love me I can't believe
That I'm the only one
Havin this much fun

CHORUS Repeat Chorus till fade
