=====  
2Ge+her - I Gave My 24-7 To You  
=====

You said jump, I asked how high  
You made the rules, that we live by  
And now I find, I made a Frankenstein  
I spoiled you rotten, night and day  
I always let you get your way  
I did the crime, now I'm doing time

Baby, for showing you I care  
I'm tearing out my hair  
Baby, you never do your share  
You know it isn't fair

(Chorus)  
I gave my 24-7 to you  
Doing everything you wanted to  
I bought you sushi and yogurt too  
You bought a ringer  
Just to pull me through  
'Cause you know that's it's true  
I gave my 24-7 to you

Every time that we're alone  
You sit there talkin' on the phone  
It never ends  
Now I hate your friends  
Every time I tell you no  
You're quick to tell me where to go  
I'd leave it all  
If I had your balls

Baby, I let you wear the pants  
You wore off the romance  
Baby, you never miss a chance  
To tell me I can't dance

I gave my 24-7 to you  
Doing everything you wanted to

I bought you Prada and Old Navy too  
You never wear 'em  
Now I'm feeling blue  
Girl, you know that it's true  
I gave my 24-7 to you

Baby, it's true  
There'll never ever ever  
Ever never be another one like you

I gave my 24-7 to you  
Doing everything you wanted to  
I bought you Britney and Limp Bizkit too  
You sold them back  
For money that I blew Girl, you know that it's true I gave  
my 24-7 to you
