And she's got safety pins and string holding it together
She can only wear her jacket in warm weather
Although the sleeves need to be shortened
The fact that the arms are falling off isn't important

Because Jennifer's jacket, Jennifer's jacket, Jennifer's
jacket
Is falling apart
Jennifer's jacket, Jennifer's jacket, Jennifer's jacket
Is falling apart

The lining in her coat is rotten
And it seems that the zipper has been completely
forgotten
She had a dollar ten for a slice in the pocket of the right
But the pocket had a hole and she looked for the
change all night

Jennifer's jacket, Jennifer's jacket, Jennifer's jacket
Is falling apart
Jennifer's jacket, Jennifer's jacket, Jennifer's jacket
Is falling apart

This is a list of malformations
But it would cost one hundred dollars for alterations
We all know that the pressed leather is in
But you can't keep warm in the winter in December in
the city
When it's 32 degrees below zero with a safety pin

Jennifer's jacket, Jennifer's jacket, Jennifer's jacket
Is falling apart
Jennifer's jacket, Jennifer's jacket, Jennifer's jacket
Is falling apart
Jennifer's jacket, Jennifer's jacket, Jennifer's jacket
Is falling apart
Jennifer's jacket, Jennifer's jacket, Jennifer's jacket

Falling apart at the seams
Falling apart at the seams
Falling apart at the seams
Falling apart at the seams

(Jennifer's jacket is)
Falling apart at the seams
(Jennifer's jacket is)
Falling apart at the seams
(Jennifer's jacket is)
Falling apart at the seams
(Jennifer's jacket is)
Falling apart at the seams, yeah
