Visit "[Ladies & Gentlemen Part I](#)" on MotoLyrics.com

Good evening ladies and gentlemen, what is your
desire?
And hello ladies and gentlemen, explosions and fire
Good evening ladies and gentlemen, are you prepared
to rock?
And hello ladies and gentlemen, let's rock

Let's rock, let's rock, let's rock
Let's rock, let's rock, let's rock, let's rock
Let's rock, let's rock, let's rock
Let's rock, let's rock, let's rock, let's rock

Do you have any idea what it takes to rock?
Every night, every day, every night
Plug us in and watch us pump out sound
Comin' to you so you don't have to leave town

This is the show, we are the band
Sometimes it just takes you by the hand
