They took a hot-rod motor
And they put it in her heart
It's a dream location
But she's tearing it apart

A tongue-tied and twelve
Staring up at perfect pearls
He's 13, she's 13
She's a teenage girl, teenage girl
Teenage girl, teenage girl
Teenage girl, teenage girl

Skin the surface
Like a Mach 5 flower
The fiberglass shakin'
And it shatters from the power

It's crush and blow
When the engine overflows
That motor's pride
Just say goodbye to Water World

Teenage girl, teenage girl
Teenage girl, teenage girl
Teenage girl

A tongue-tied and twelve
Staring up at perfect pearls
He's 13, she's 13
He's 13, teenage girl

He's 13, she's 13
He's 13, she's 13
Teenage girl
He's 13, she's 13
He's 13, she's 13
Teenage girl

He's 13, she's 13
He's 13, she's 13
Teenage girl
He's 13, she's 13

He's 13, she's 13
Teenage girl
