"...here we are (see what happens)...face to face, a  
coupla of a silver  
spoons..."  
"...a coupla of silver spoons (Ye-heah!)...signin' up, a  
coupla of silver  
spoons..."

I'm all out of nachos  
I call my pal  
"Whatcha gonna do?"  
"I'm gonna go see 'Weird Al'"

My mom drives one way  
Your mom drives home  
Where's my ten gallon hat?  
It's Sty-ro-phoam!

Are you going to the "Weird Al" concert?  
"Weird Al" show?  
Are you going to the "Weird Al" concert?  
Well, ya gotta go!

I've been known to shave  
I got happenin' hormones  
I think I'll call a girl  
On the phone!

I've been known to bathe  
My little head  
Get me home by ten  
I gotta be in bed!

I had to leave home  
I felt so caged  
But when i got to the arena  
My mom had me paged!

PAGED!

Are you going to the "Weird Al" concert?  
"Weird Al" show?  
Are you going to the "Weird Al" concert?

Well, ya gotta go!

Are you going to the "Weird Al" concert?

Well, ya gotta go!

Go! Yeah, Go! GO!

I Like 'Weird Al"  
My brother likes "Weird Al"  
My sister likes "Weird Al"  
YOUR MOTHER LIKES "WEIRD AL"!
