Trucks stopped,  
sitting in my little car.  
Gas-oline,  
It's powerful fuel for engine and soul.  
As-tronauts,  
sitting around in the Arizona sun.  
Hou-ston control,  
Cancel the countdown and send us all home, send us  
home.

Don't drive your car into a crater,  
truckstop on the moon.  
Don't drive your car into a crater, no, no, no,  
truckstop on the moon.  
Don't drive your car into a crater, no, no,  
truckstop on the moon, on the moon.

And we left Las Vegas, 4 o'clock in the morning.  
Straight line cross state-line into Texas and we started  
yawning.  
We drifted off the road and we floated into spa-a-ace,  
woke up on a brand new planet,  
couldn't figure out what happened,  
we realized we landed on the-

Truckstop on the moon.  
Truckstop on the moon.  
Truckstop on the moon.  
Truckstop on the moon.

Truckstop on the moon.  
Truckstop on the moon.  
Truckstop on the moon.  
Truckstop on the moon.  
Truckstop on the moon.  
Truckstop on the moon.  
Truckstop on the moon.  
Truckstop on the moon.
