I just want to talk to you
I won't uh, do you no harm
I just want to know about your diff'rent lives
On this is here people farm
I heard some of you got your families
Living in cages tall and cold
And some just stay there and dust away
Past the age of old.
Is this true ?
Please let me talk to you.

I just wanna know about
The rooms behind your minds
Uh do I see a vacuum there
Or am I going blind ?
Or is it just uh, remains of vibrations
And echoes long ago ?
Uh things like "Love the world" and uh
Uh "Let your fancy flow"
Is this true ?
Please let me talk to you
Let me talk to you.

I have lived here before
The days of ice
And of course this is why
I'm so concerned
And I come back to find
The stars misplaced
And the smell of a world
That is burned
A smell of a world
That is burned.

Yeah well, maybe, hmm...
Maybe it's just a... change of climate
Hmm, hmm...
Well I can dig it
I can dig it baby
I just want to see.

So where do I purchase my ticket ?

I'd just like to have a ringside seat
I want to know about the new Mother Earth
I want to hear and see everything
I want to hear and see everything
I want to hear and see everything
Yeah...

Aww, shucks
If my daddy could see me now
Everything, everything, everything, oh everything.
