I've got to say
What's on my mind
When I'm with you I feel all right
You call me baby
We spend the night
I'm so addicted
I feel alive.

Over and over I'm falling
You make me dance dance like a maniac
You make me want your aphrodisiac
You make me want your aphrodisiac

I think about you
All the time
I just can't get you
Off my mind.
You drive me crazy
You drive me wild
You're so addictive
There's no way out

Over and over I'm falling
You make me dance dance like a maniac
You make me want your aphrodisiac
You make me want your aphrodisiac

I'm craving for your touch
I want it way too much
I'm craving for your touch
Too much, your touch
Too much

Over and over I'm falling
You make me dance dance like a maniac
You make me want your aphrodisiac

You make me dance dance like a maniac
You make me want your aphrodisiac
You make me want your aphrodisiac
