Here comes the end for us  
Just a prayer  
I cannot scream  
Not a voice, not a sound

Whatever I could say  
Won't bring me back to you

I've challenged death  
I've lost, I pay

The struggle was so short  
Too hard even for me

Solo - Bar

A life on the edge  
So much to gain  
But too much to lose  
My life, my love

My last words are for you  
The kisses in the breeze

I've to go - the chains are pulling me  
No more time - I'll never hug you again

Solo - La Russa, Bar

I don't know why  
The Fate played this game on us  
Hold on my sweet  
I'll wait for you to come

I've to go - the chains are pulling me  
No more time - I'll never hug you again

-Please God listen to my last prayer  
Don't let her alone-

-Saying you goodbye

My sweet-
