Fall on me  
Come to me with all your needs  
And when you're weary  
You can fall on  
Me and you  
Are now becoming one from two  
Come to me quickly  
Trust me and we'll be  
Past the hard part  
Bring me your broken heart

Chorus:  
Fall on me  
We will be together  
Always and forever  
So fall on me  
We will be so sweetly  
Careless and completely ..

In love my dear  
Will conquer us and make it so clear  
Why we should bother  
Trusting each nother  
That's the hard part  
Risking a broken heart

Repeat Chorus

Oh into the arms of one another now  
I'm gonna hold you so closely  
That I'll keep you from harm  
I wanna be the one to show you how  
You can fall one me, fall on me  
You can fall on me

Fall on me  
I'll never let you down  
Fall on me  
I'll always be around  
Fall on me  
Bring me your broken heart

Fall on me  
Let;s never be apart
