Now hold this tight
Don't let go
No burden
I can't forget the past is real
No longer fight this feeling
No burden
I can't erase what you've become this time

I cast doubt (No longer)
I am able, I am strong
And now it dwells in me

True to this cause I hunger
I count the days that pass me by
I'll do what I know is right
No failure shall befall me this time

I cast doubt (No longer)
I am able, I am strong
And now it dwells in me

I cast doubt (No longer)
I am able, I am strong
And now it dwells in me

I cast doubt aside
I cast doubt aside
I cast doubt aside (Cast doubt aside)
I cast doubt aside

I cast doubt (No longer)
I am able, I am strong
And now it dwells in me

I cast doubt (No longer)
I am able, I am strong
And now it dwells in me

I'm strong and it dwells in me.
I'm strong and it dwells in me
I cast doubt aside

I'm strong and it dwells in me
