The question isn't whether it's true
The question is it working for you?
Marshmallow skies and custardy pies
And nothing's too hard to do

They're five happy verses or so
They told me all I needed to know
Ignore all the rest, trials and tests
And threats to my comfort zone

Well, I've got no time to find out what's real
I stick with what I happen to feel
It feels grand when you're livin' in a La La Land

You can name a blessing yourself
Stake a claim on power and wealth
And strong healthy teeth, a spot at the beach
And romance that's really swell

All the saints and martyrs alike
Well, they would have called a national strike
Demanded less pain, more personal gain
If only they'd know their rights

Well, I take it very personally
Yeah, I got to know what's in it for me
Ain't it grand, when you're livin' in a La La Land?
Ain't it grand, when you're livin' in a La La Land?

I've got my prayer cloth collection in a Jesus jar
I've got the Holy Ghost ridin' in the back of my car
Sometimes He gives a little tickle I go 'Hardee har har'
Ain't it grand, when you're livin' in a La La Land?

My Jesus decal does quite a trick
Right above my dashboard I stick it
A good luck charm, it keeps me from harm
And saves me from speeding tickets

Well, I take it very personally
Yeah, I got to know what's in it for me
Ain't it grand, when you're livin' in a La La Land?

Ain't it grand, when you're livin' in a La La Land?

La la, la la
La la, la la
La la, la la
La la, la a

La la, la la
La la, la la
La la, la la
La la, la la

La La Land
La la, la la
La la, la la
La la, la la
La la, la la

La La Land
La la, la la
La la, la la
La la, la la
La la, la la

La La Land
La la, la la
La la, la la
La la, la la
La la, la la
