I'll be your numer one
I'll be your supercharge
I'll be your superhero,
Baby when your seein'stars

I'll be your everyone
I'll be your only friend
And when your zero baby,
I could be your perfect ten

Don't go bingin' me down
I'm on your side
Don't go stoppin'us now
I'm on the ride
Don't go bringin' me down
Everybody wants to fly

Chorus:
Don't know 'bout you
So beat up and blue
If your sick of it let's get crazy
No keepin' it cool
I'm breakin' the rule
Just a little bit
Let's get crazy

I'll be your guiding light
I'll be your silver sun
I'm gonna be the dynamite
To make you come undone

'Cause if you want it all
You've got to give it all
You've got to lose control to get it
When you've hit the wall

Don't go bingin' me down
I'm on your side
Don't go stoppin'us now
I'm on the ride
Don't go bringin' me down

Everybody wants to fly

Repeat Chorus

Yeah

All the world is our's to take

Oh yeah

Until the world is wide awake

Repeat Chorus

Yeah

All the world is our's to take

Oh yeah

Until the world is wide awake

Repeat Chorus
