All That Remains Not Alone Lyrics

No More,

No more are the days that I will  
Fear for I have found a strength that  
None can match and I'll push forward

Never has the blood in my veins  
Flowed so fiercely as when i feel this around me  
I am whole

I'm not alone  
With the touch of your hand  
I am whole again

I'm not alone  
With the touch of your hand  
I am whole again

Now I feel the passion burning  
This what drives me further strengthens  
My resolve to push me further

(and I believe, that I am not alone)  
I'm not alone!

I'm not alone  
With the touch of your hand  
I am whole again

I'm not alone  
With the touch of your hand  
I am whole again

No more are the days that I will  
Fear for I have found a strength that  
None can match and I'll push forward

Now I feel the passion burning  
This what drives me further strengthens

My resolve to push me further

I'm not alone (I'm not alone)  
With the touch of your hand  
I am whole again

I'm not alone (I'm not alone)  
With the touch of your hand  
I am whole again

(I am whole again)  
(I am whole again)
