Feel like I could scream  
Bought a busted dream  
It seems it's nothing but a lie

I crave the altitude  
But somehow the penthouse view  
Don't satisfy

Take me a way  
Take me a way  
That this serching soul  
Missed on other days  
I hate how it feels  
Stuck in this place  
I need something real  
To take me away

Living in excess  
A glorious emptiness, this mess  
Can pin you to the ground

Happiness is cruel  
It burns like rocket fuel  
Then you come down down

I've had it all  
I've had it all  
It all amounts to nothing  
without you
