Let me tell you about a friend of mine  
His name's boll weevil check him out  
Spends all day on his big butt  
And he don't ever ever get outside  
I come to visit I bring some sunshine  
And I just spread it all over the fire

He's stuck on his big couch stuck in his big shell  
He looks at the tv and he's all right  
I come from the drug lord the local drug store  
Bug is a fly baby he's never uptight  
And I wonder

Boll weevil why don't you get out of your home  
He said I'm comfortable here I don't wanna move I  
don't wanna leave  
I said boll weevil get right out of your home

Good bye I gotta stay I'll move some other day bye bye  
gotta go to sleep  
And let the tube shine let the tube shine  
Let the tube shine let the tube shine

Now I would tell you about boll weevil but that bug is  
just too scary  
He's sittin there all alone I try to coach him out with  
chocolate pies  
But he would not move a muscle and I tried

To make him see that the sun is shining outside  
Make him see that the sun is shining outside  
Make him see that the sun is shining outside  
Make him see that the sun is shining outside  
Make him see that the sun is shining outside

Boll weevil get right out of your home  
Boll weevil get right out of your home  
Boll weevil get right out of your home  
Boll weevil get right out of your home

Now I would tell you about boll weevil but that bug is  
just too scary

He's sittin there all alone I try to coach him out with  
chocolate pies  
But he would not move a muscle and I tried

To make him see that the sun is shining outside  
Make him see that the sun is shining out  
Make him see that the sun is shining outside  
Make him see that the sun is shining outside  
Make him see that the sun is shining outside  
Make him see that the sun is shining outside  
Make him see that the sun is shining outside

Make him see that the sun is shining outside  
Make him see that the sun is shining outside  
Make him see that the sun is shining outside  
Make him see that the sun is shining outside  
Make him see the sun make him see the sun  
Make him see the God damn sun
