A little blind spider took the wheel  
Navigatin' grass blades completely by feel  
Gotta sassy chassy sparkle in the sun  
All four small bald fat tires rockin' through the sand  
and burnin' up  
Little dune buggy in the sand  
Little blue dune buggy in my hand

Okay I got a rubber band motor hummin' on the beach  
ready for fun  
Quit spinnin' that web and come out and play in the sun  
Eight thimble sized cylinders to be as smooth as you  
please  
Spider's bad ass fat old abdomen stuck in the bucket  
seat

Little dune buggy in the sand  
Little blue dune buggy in my hand

Squishy transmission was caught in drive  
Spiderman was squintin' at the sand and the sky  
Spiderwoman in the front seat screamin' go go go  
He's ridin' the accelerator down to the floor with his  
fuzzy little toe oe oe oe oe

Little dune buggy in the sand  
Little blue dune buggy in my hand

Little blue dune buggy  
Little blue dune buggy  
Little blue dune buggy  
Little blue dune buggy  
Little blue dune buggy

Little blue dune buggy  
Little blue dune buggy  
Little blue dune buggy  
Little blue dune buggy
