I feel lowdown and blue
I didn't have what I wanted
That's when I saw the sign
Outside the place that promised salvation
I gave the waitress my order
She said it'd be just a minute
(I was lookin' at the pies)
You know I was hungry
But not for food
At the love delicatessen
Oh yeah
I'll meet you at the love delicatessen
Oh yeah
Outside the summer sun beat down
On a lusty summer day
Inside the people still had on their shades
They were all in the dark
I heard the bell ring
And my order was up
I could believe the size of the portion
Man my eyes lit up
Here it comes
At the love delicatessen
Oh yeah
I'll meet you at the love delicatessen
Oh yeah
Mmm.. I think I've had my fill
Went to the front counter
To pay the bill
Oh by the way
Give me one of those cherry life savers
And the summer sun beat down
So hard and I was on my way
From the love delicatessen
Love delicatessen
Ill meet you there (x3)
Today
At the love delicatessen
Ok
Ill meet you at the love delicatessen
Oh yeah

Ill meet you at the love delicatessen
Ok
Ill meet you at the love delicatessen
Today
Ill meet you at the love delicatessen
Ok
