

Presidents Of The USA "Naked & Famous"

I can't explain glacial motion
Or why los angeles don't drop into the ocean
I can't unfold the layers of mystery
Or piece together the tragedy of history
"cause those lucky suckers they don't have to work
Big 3 d billboards and big 30 foot smurfs
And everybody wants to be naked and famous
Everybody wanna be just like me I'm naked and famous

I met a poet said she didn't like the smell of it
Then took her clothes off in a restaurant for the hell of it
I met a dj who lived in seclusion reality and sobriety
were her only delusions

And those lucky bastards they don't have to work
Big 3 d billboards and big 30 foot smurfs
And everybody wants to be naked and famous
Everybody wanna be just like me I'm naked and famous

Woo uh hoo hoo hoo
Wow ah hoo hoo hoo
Well don't get a nosebleed don't get upset
We can't be naked and famous just yet
There's a big gold dollar sign on the sunset strip
And you can send your friend a postcard it ain't worth the trip

Everybody wants to be naked and famous
Everybody wanna be just like me I'm naked
Everybody wants to be naked and famous
Everybody wanna be just like me I'm naked
Everybody wants to be naked and famous
Everybody wanna be just like me I'm naked

Wow wow yeah
Ah hoo hoo hoo
Whoo

Everybody wants to be naked and famous

Everybody wants to be just like me I'm naked and
famous
