I want to sleep on a boat
Oh I want to sleep on a boat
And I'll sail away with you
I'll sail away with you

Oh but the winds are much to strong
And I am feeling weak

So...
So I want to fly on a balloon
Oh I want to fly on a balloon
And I want to fly with you
I want to fly with you

Oh but the winds are much to strong
And I am feeling weak

So...
So I don't know if you
Like to sleep on boats too
I won't make you go
But you'll come I know

I know
