"Flow Like A River"

Come on, get with it
It's not like you don't know how
Come on, you'll wither
Your feet haven't left the ground
Come on, you're in it
Show me your underline

Swallow me whole I will live in your soul
Flow like a river
All night long, steady like a river flow

High to low to high

Come on, get with it
It's not like you don't know when
Come on, you'll love it
So deep it may never end

Swallow me whole I will live in your soul
Flow like a river
All night long, steady like a river flow
