She?s got heart wears like patient leather
Nose turned up fallen tourniquet feather
She?s got violence, she?s got vomit and it?s feeding
To hollow spite gossip choose to believe in

He?s got humor and he speaks like a sailor
He?s ageless and sordid, reminds me of your older
brother
He threw a monkey into the sea
And he threw that monkey back at me

Don?t want to try, won?t want to die
Can?t afford the bone that is lacking
Maybe it?s alright every time on the dime
It?s you each time you?re medicine

Warm medicine
Warm medicine
Warm medicine
