On my grind cuz I like to shine
(I scratch records while you scratch your head)

Fools and dopes get fooled for dope
Like kidnapped b*tches get tied with rope
I don't tell jokes, this is serious business
Got a squad behind me down to handle your witness
I warned you b*tches: but you just didn't listen
Change up my style like I change up positions
On my grind cuz I like to shine like sweat glistens
Don't take it personal, we're on a mission

Got a vision that I make it to the top (don't stop)
I listened to the tape and my mouth just dropped
Got a vision that I make it to the top (don't stop)
I scratch records while you scratch your head

Tricks and hos suck d*ck for clothes
But omg got tips for those
I don't talk sh*t, I just keep it real
Don't hate me cuz you ain't me
I got mass appeal, can't be copied, can't be mimicked
Can't predict it, cuz I got no gimmick
Tried to break you off, but you would up slippin'
Get it where you fit in trick, we're on a mission

Got a vision that I make it to the top (don't stop)
I listened to the tape and my mouth just dropped
Got a vision that I make it to the top (don't stop)
I scratch records while you scratch your head

Mark ass chumps and whack emcees

They get brought right to their knees
Once they hear that OMG
They beg for more like, please please!
Just a beat for you to listen
A new style got you so smitten

Watch me shine yeah watch me glisten
Mark ass b*tch: we're on a mission

Got a vision that I make it to the top (don't stop)
I listened to the tape and my mouth just dropped
Got a vision that I make it to the top (don't stop)
I scratch records while you scratch your head
