I climb but they're too high, i fall
I pound my fists until they're raw
What are you hiding from
(Tell me, tell me, tell me)
Why must you play dumb
(Tell me, tell me, tell me)

What's behind those walls
Tell me what's behind those walls
What's behind, what's behind
Tell me, tell me
What's behind those walls
Tell me what's behind those walls
What's behind, what's behind
What's behind those walls

I dig but can't get deep enough
I jumped but couldn't reach your love
What are you hiding from
(Tell me, tell me, tell me)
Why must you play dumb
(Tell me, tell me, tell me)

What's behind those walls
Tell me what's behind those walls
What's behind, what's behind
Tell me, tell me
What's behind those walls
Tell me what's behind those walls
What's behind, what's behind
What's behind those walls

I crawled until my knees drew blood
I bawled but nothing was enough
What are you hiding from
(Tell me, tell me, tell me)
Why must you play dumb
(Tell me, tell me, tell me)

What's behind those walls
Tell me what's behind those walls

What's behind, what's behind
Tell me, tell me
What's behind those walls
Tell me what's behind those walls
What's behind, what's behind
What's behind those walls
