Hello lord inquisitor!

Who will you accuse today?

Who will you condemn to death with your words?

You see the mistakes of everyone everywhere

You look everywhere for a reason to tear down the lives of others

Don't you know? Have you not heard of the love of the brothers?

Of the love for people.

Who are you that you can be so cruel?

You really don't know the true God, because your god

is a destroyer and a murderer

Repent before it's too late!

Because your sin is killing you!

God is the judge--not you!
