We're under pressure
Seven billion people in the world trying to fit in
Keep it together
Smile on your face even though your heart is frowning
But hey now, you know
We both know it's a cruel world
But I will take my chances

As long as you love me
We could be starving
We could be homeless
We could be broke
As long as you love me
I'll be your platinum
I'll be your silver
I'll be your gold
As long as you love (love me)
As long as you love (love me)

I'll be your soldier
Fighting every second of the day for your dreams
I'll be your Hova
You can be my Destiny's Child on the scene
So don't stress and don't cry
We don't need no wings to fly
Just take my hand

As long as you love me
We could be starving
We could be homeless
We could be broke
As long as you love me
I'll be your platinum
I'll be your silver
I'll be your gold
As long as you love (love me)
As long as you love (love me)
As long as you love (love me)
As long as you love (love me)

As long as you love me

We could be starving
We could be homeless
We could be broke
As long as you love me
I'll be your platinum
I'll be your silver
I'll be your gold
As long as you love (love me)
As long as you love (love me)
As long as you love (love me)
(I'll be your silver, I'll be your gold)
As long as you love (love me)
(I'll be your silver, I'll be your gold)
As long as you love me
As long as you love me
As long as you love me
